- that any further misconduct will be dealt with via the formal stage

<https://reflectionstrainingacademy->

## Formal Stage

A thorough investigation into the alleged misconduct will take place before a disciplinary interview is held or disciplinary action taken. Such investigations will be documented.

The following outcomes of the disciplinary investigation are possible:

- no case to answer
- allegations appear to be substantiated and there is a case to answer

Where there is a case to answer, disciplinary action will be taken within the following disciplinary framework.

### 1. Recorded verbal warning

In cases too serious for informal action, or where misconduct persists despite an informal warning, you may be given a recorded verbal warning.

In such instances your tutor will:

- Hold a meeting with you
- Issue a copy of these expectations and behaviours to you
- Inform your Employer or Parent / carer (depending on programme)
- Issue you with a verbal warning, recorded on a disciplinary record form and signed by you
- Retain a copy of the form on your file for 12 months
- Give you a copy of the form
- Send a copy of the completed form to your Employer or Parent / carer (depending on programme)
- Advise you that, if any further misconduct of any kind occurs, you will enter the next stage of this procedure.

### 2. First written warning

If further misconduct occurs or if your attendance / behaviour does not improve after a recorded verbal warning, a first written warning may be given. Alternatively, if the misconduct is deemed more serious, we may proceed directly to the first written warning stage.

In such instances a Manager or Senior Manager will:

- Hold a meeting with you
- Issue a copy of these expectations and behaviours to you
- Inform your Employer or Parent / carer (depending on programme)

### 3. Final written warning

If further misconduct occurs following the previous warnings, a final written warning may be issued. Alternatively, where serious misconduct has occurred, you may be given an immediate final written warning. In such instances the steps detailed for 'first written warning' will be carried out.

Additionally, you will be informed that further misconduct or failure to meet the conduct of behaviour and standards expected will result in the termination of your training programme.

### 4. Termination of Programme

If misconduct persists despite the final written warning, or in instances of serious gross misconduct then a termination of training programme review will be conducted.

In such instances the steps detailed for 'written warnings' will be carried out and a

Termination of programme meeting held, to which your Employer or parent / carer (as applicable) will be invited.

Under the disciplinary framework, appeals are permitted at all stages except recorded verbal warning.

You must submit your appeal in writing, within 10 working days of receipt of the warning/termination letter addressed to the Academy Director.
